Apple Nissan Internet Customers

## 2008 NISSAN ROGUE

**INTRODUCING ROGUE. A WHOLE NEW CROSSOVER FROM NISSAN.** Start new. New look. New body. New moves. Open doors without touching a key. Change gears with a tap. Steering wheel-mounted paddle shifters keep the action up close. While intuitive All-Wheel Drive keeps it all under control on-road or off. So go. Merging into the city with 170 horses. Stopping for gas every 400 miles or so.<sup>1</sup> Surrounding five seats of restlessness with functional storage compartments. Ignition key? In your pocket. This ride runs on attitude.

<sup>1</sup>Actual mileage may vary with driving conditions - use for comparison only.

**TWO EXCEPTIONAL NISSAN ROGUES TO CHOOSE FROM.**

**S:** YOUR ALLY ON CITY STREETS. AND OFF.

**SL:** ADD IN A BIT MORE ATTITUDE
